

*An opportunity to count yourself in...*

*...to a force-field of positive change in South Africa*

# Millions of young South Africans are being labelled the lost generation. This is your chance to change live.

2020 people contributing a small monthly donation could help shape their future.

By making a normal monthly donataion to HOPE Cape Town and investing in our children now, you can tap the vein of gold that lies as rich potential within them.

100% of HOPE Cape Town's program participants come from marginalized, economically deprived communities that are ravaged by social degradation and trauma. The HOPE Cape Town Whole Child Revolution has proven to their crucial springboard.

## HOPE Cape Town's purpose is to assist our young children to achieve wholeness

- to function fully as creative, adaptive, innovative and solution-oriented individuals who care deeply about community and environment.

## Pay it forward and be counted...!

Become ONE of 2020 people to step forward and support HOPE Cape Town's work!

Every single US Dollar you donate will directly enable HOPE Cape Town to do what we do best - providing children with tools to overcome obstacles in their lives, thus building a strong and vibrant society.

## Become One the 2020 Contributors
